Acadia Performance Platform

Empower your employees to transform your organization with the enterprise-ready Acadia Performance Platform

Acadia ROI

We work with our customers to calculate a personalized ROI based on their own performance KPIs. To provide you with a sense of just one of the ways Acadia can impact your business, consider the cost of turnover and rehiring. The calculations* below use industry turnover rate and average cost per hire. It does not take into account the potential revenue lost while some open positions go unfilled.

Chapter of Distinction: Silver AWARD 2019

ACC Association of Corporate Counsel

The Baltimore Chapter serves the Baltimore Metropolitan Area and surrounding Maryland regions, including Annapolis, Western Maryland, Maryland's Eastern Shore, and most of the upper Chesapeake Bay and its tributaries!

ACC Baltimore is honored to be the recipient of the Government or Corporate Legal Department 2020 Maryland Pro Bono Award from the Pro Bono Resource Center of Maryland - the pro bono arm of the Maryland State Bar Association. Congratulations to the many ACC Baltimore members who donated countless hours to pro bono projects for various organizations over many years!

Since its founding in 1997, ACC Baltimore has received the ACC's **Chapter of the Year** honors twice, as well as two **Honorable Mentions**. Most recently, we were awarded the Chapter of Distinction Silver award for 2019 by the Association of Corporate Counsel. The Chapter's Past President, Maureen Dry-Wasson, was selected as ACC's **Member of the Year** for 2008 and former Chapter Vice President Ed Pauls was selected as ACC's **Member of the Year** for 2016!
